WORK EXPERIENCE

- Successfully launched the app on Google Play Store and Apple App Store, adeptly addressing any issues for a seamless approval process and prompt implementation of enhancements.
- Implemented order flow, including payment gateway integration (Razorpay, PhonePe, Paytm).
- Integrated real-time push notifications, analytics with Firebase and real-time chat via Socket.io.
- Achieved smooth animations and responsive UI with Framer Motion, Tailwind, and Reanimated.
- Developed apps with seamless integration, adapting to requirements, and implementing server-side functionality as needed.
